## Formal Indication in Two Business Days\*

If the Indication, Terms, and Conditions are acceptable, the retail agent and staffing company representative must complete our Best Practice Assessment online.

Once completed, Nixer Comp will schedule an introductory Zoom meeting for all the stakeholders to explain the program and answer any questions.

While we are able to act quickly upon last-minute submissions, we recommend that accounts be submitted at least 30-45 days before the effective date.

# Other Resources

## Class Code Request Portal

Class codes are submitted via our CDR Request System. Response time is usually 15-30 minutes depending on the submission's accuracy. Each determination is formally documented for auditing purposes. Approved determinations include Class Code, Manual Rate, Net Rate, All-in Rate, Terms, and Conditions.

## Learning Management System (LMS)

Train your internal employees in HR, OSHA, Safety, and more. Everything from Basic First Aid, Accident Investigation, Workers' Compensation for Supervisors, and Forklift Safety to Warehouse Safety. Educate your recruiters and business development organically, so that they can produce a better result.

## Risk Management Portal

Give your recruiters, business development, and claims coordinators access to thousands of Risk Management, OSHA, Safety, Workers' Compensation, and Compliance training, tools, and resources. This system includes Job Description Builders, Employee Cost Calculators, Interview question Builders, and Salary Benchmarking tools.
